## SSBC COVID 19 GROUND RULES FOR OUR UPCOMING EVENTS

Any person attending a Silver Sands Bridle Club Event are asked to accommodate the following smart Show Horse Social Distancing Guidelines: The COVID 19 NEW NORMAL

- **Cloth face coverings are requested at all times – Bandanas are Coverings!** This requirement helps protect others from you, if you are asymptomatic. *(Not necessarily for riders going into the show arena or on horseback on the grounds, we expect you know how to stay socially distant from thy horse neigh-bor!)*
- All persons should remain six feet, or more, apart, in keeping with CDC social distancing guidelines – That's approximately one 16 hand Quarter Horse Length Head to Tail
- If you have been in Louisiana, Connecticut, New Jersey or New York, in the 14 days, please self-isolate.
- If you are experiencing fever, shortness of breath, and/or cough, in contact with someone who has tested positive for Covid-19, or in any international region, please do not come on the grounds at this time.
- **Seating at the Arena is going to be very limited. Spectators may want to bring their own lawn chair and space yourself around the outside perimeter of the arena. (Please not in the in/out/tractor service gate areas).**
