This is a **rider** based program. Scores and points follow the rider only and may be carried over from year to year, beginning in January of 2017, until a medal is earned. Once a rider has obtained all three medals, the program is complete for that rider. However, a rider may earn medals in both dressage and western dressage. This program is open to members and nonmembers.

Thank you to Innovations Arabians and Cindy McPherson for sponsoring the start of this program.
